

The Ocean Adventure Craft

Materials

- 1 glass jar (pint sized, new or recycled)
- 1 sheet aqua or blue tissue paper
- 1 18" piece of ribbon
- Foam brush and Mod Podge
- Cut outs from this page.

Directions

1. Cut out figures from this sheet.
2. Spread a thin layer of mod podge on a portion of the jar.
3. Rip a piece of tissue paper and spread it over the glue.
4. Continue until the entire jar is covered.
5. Add Mod Podge to the back of the cut outs and place randomly on the jar.
6. Spread a thin layer of Mod Podge over the cut outs and let dry.
7. Glue ribbon around top of jar.
8. Place a tea light in bottom of the jar and light.
